Monthly FOCUS

January Facts

This month was named after the Roman god Janus, who fittingly represented new beginnings. Start the first month of the year right!
Even in astronomy, there is a sense of new beginnings. In the Northern Hemisphere, the days are starting to get longer again and we look forward to the light's re-emergence.

January Folklore

- **Fog in January brings a wet spring.**
- **A favorable January brings us a good year.**
- **If grass grows in January, it will grow badly the whole year.**
- **A summerish January, a winterish spring.**

Have a lovely January and a wonderful start to 2024!
