

## **Instruction**

### **Enrichment Program**

The Superintendent or designee shall design an education program for the enrichment of students that is responsive to community needs and is in within the budget parameters as set by the Board.

Eligibility to participate in the enrichment program shall not be conditioned upon race, religion, sex, disability, or any factor other than the student's identification as an enrichment learner.

The Board of Education will monitor this program's performance by meeting periodically with the Superintendent or designee to determine and/or review the indicators and data that evidence whether the educational program for enrichment and talented learners is accomplishing its goals and objectives and is otherwise in compliance with this policy.
