Monthly FOCUS

On Monday, April 8, 2024, there will be a **TOTAL** solar eclipse! It will cross North America, passing over Mexico, the United States, and Canada. Weather permitting, we hope to catch a glimpse of the solar eclipse. We have special viewing glasses that can be shared to witness this natural yet rare phenomenon. Full viewing can be seen in Carbondale, Illinois; but we will be able to witness some of the effects. Here is the timeline-

12:42 p.m. CDT Partial Begins

1:59 p.m. CDT Totality Begins

2:01 p.m. CDT Maximum

2:03 p.m. CDT Totality Ends

3:18 p.m. CDT Partial Ends
